

# ROOTALA PRESENTS

**“A very Logical network-marketing for ever!!!”**

Designed by “JCat World-OCCoin”

# WELCOME

In Our Rootala Project

**JCAT World** presents

# **Rootala**

## **Project objectives.**

---

**Generating quick, simple and passive income for companions**

**Contribute to the project liquidity pool and token circulation**

**Incentivize token investment through the passive income of individuals**

# Rootala.branch

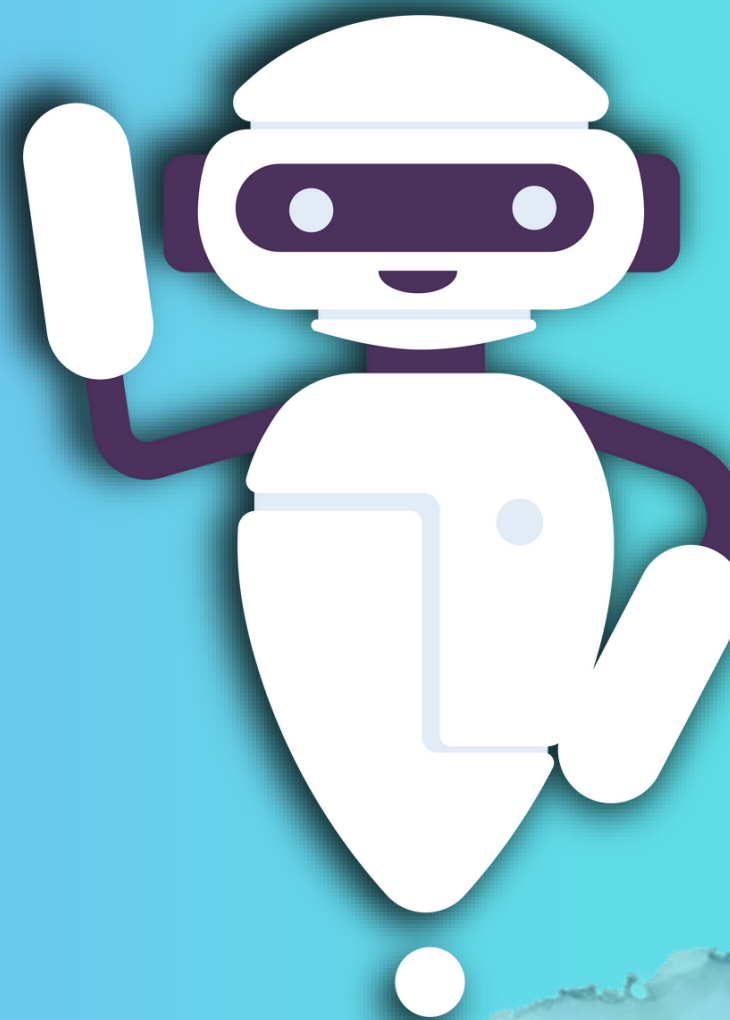

**This network plan is unique, and the project road map was created by a team of network plan experts.**

**One of the main elements of the “JCat World” is born here!**

**A smart simplicity along with high income-generating power.**

# ROOTALA.BRANCH

There are no usual complications of income generation, unaffordable terms, or astronomical incomes that eventually lead to project body damage.

# Who is direct?

**A person who joins the Rootala project using your introduction code.**

0xabc123...

**INVITATION CARD**

# What is the level?

**Example:**

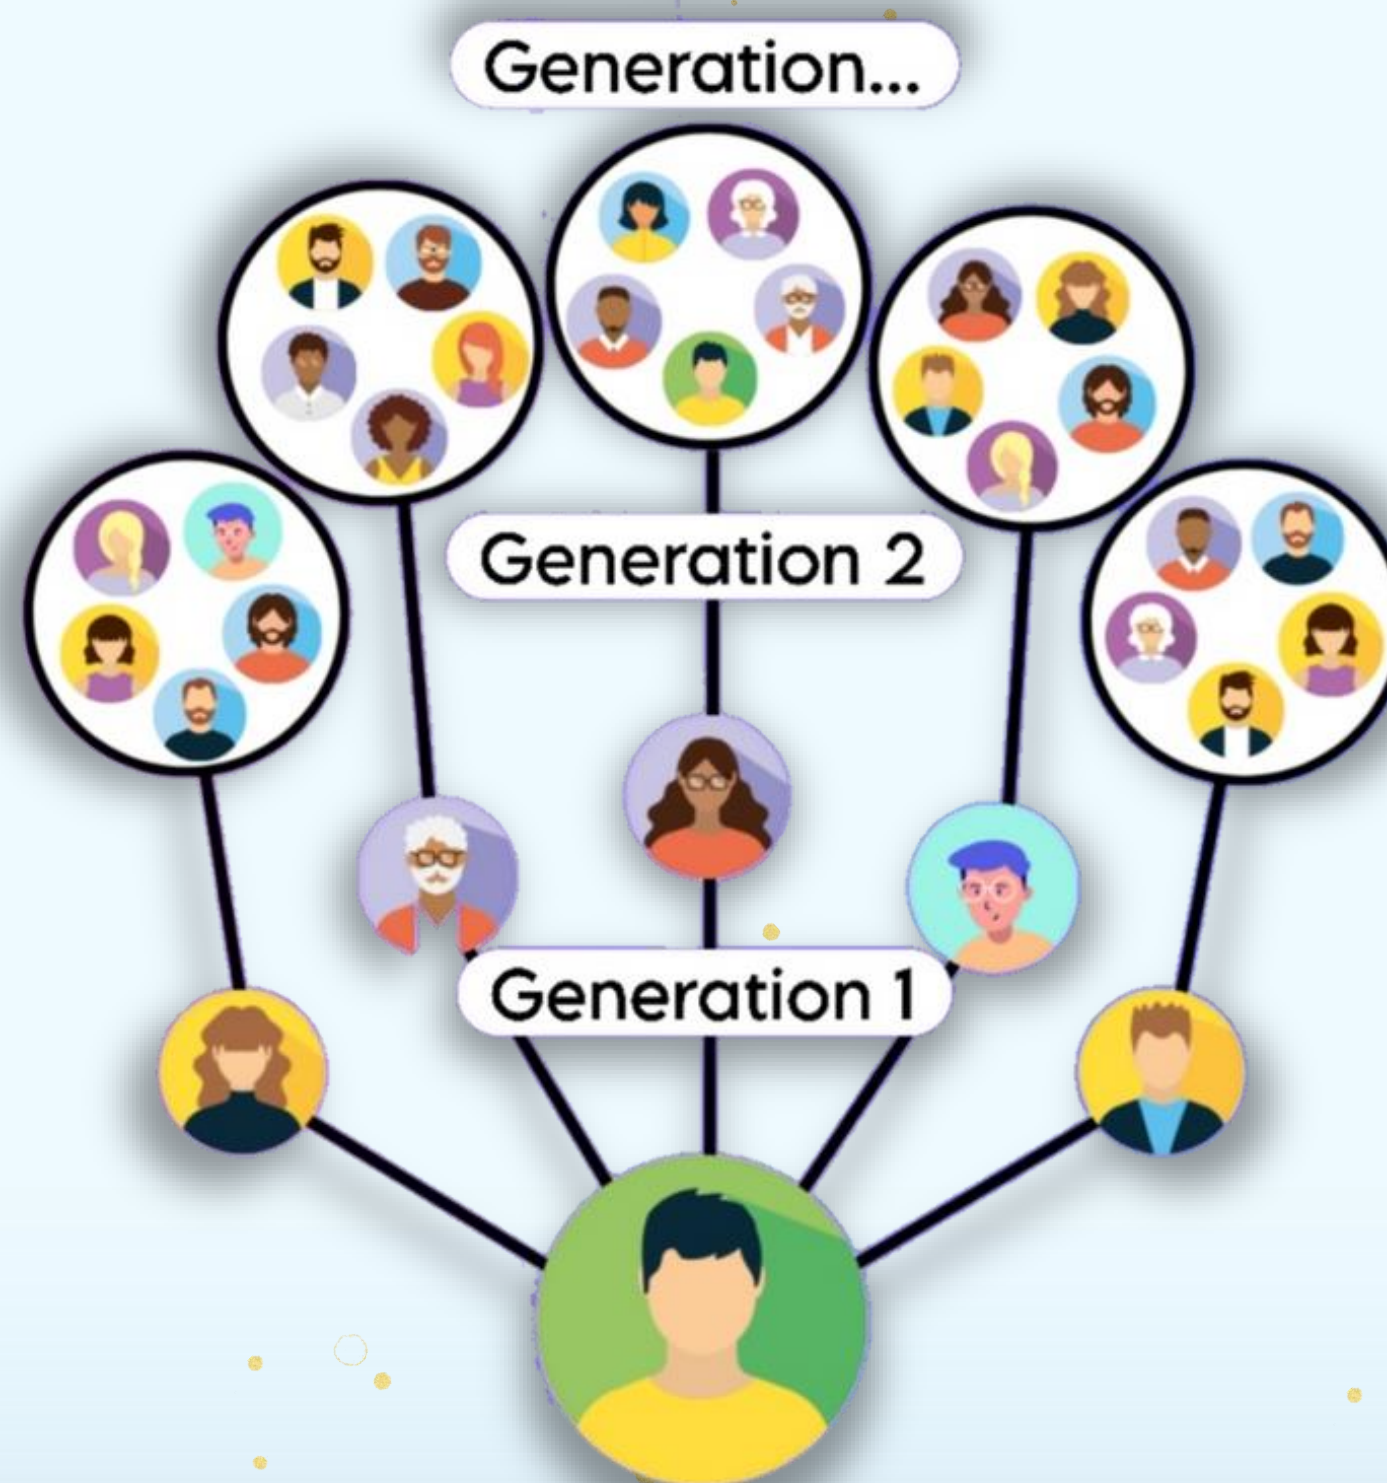

**People who joined the Rootala project directly through you!**

**They have become your direct or in other words, they are your first level!**

**The people who are your level 1 directs are actually your level 2 and your level 2 directs are your level 3 and so on...**

Figure, as described above

# Benefits of the income generating plan

- Maximum bonus payout even with an active branch
- The maximum output limit of the plan is up to 91% of the treasury
- Instant payment of bonus without time limit
- 100% decentralized structure
- Immutable structure

# The plan:

**You enter the monetization plan by depositing at least equivalent to "\$200" OCCoin**

**(according to the token price) and you will receive commissions**

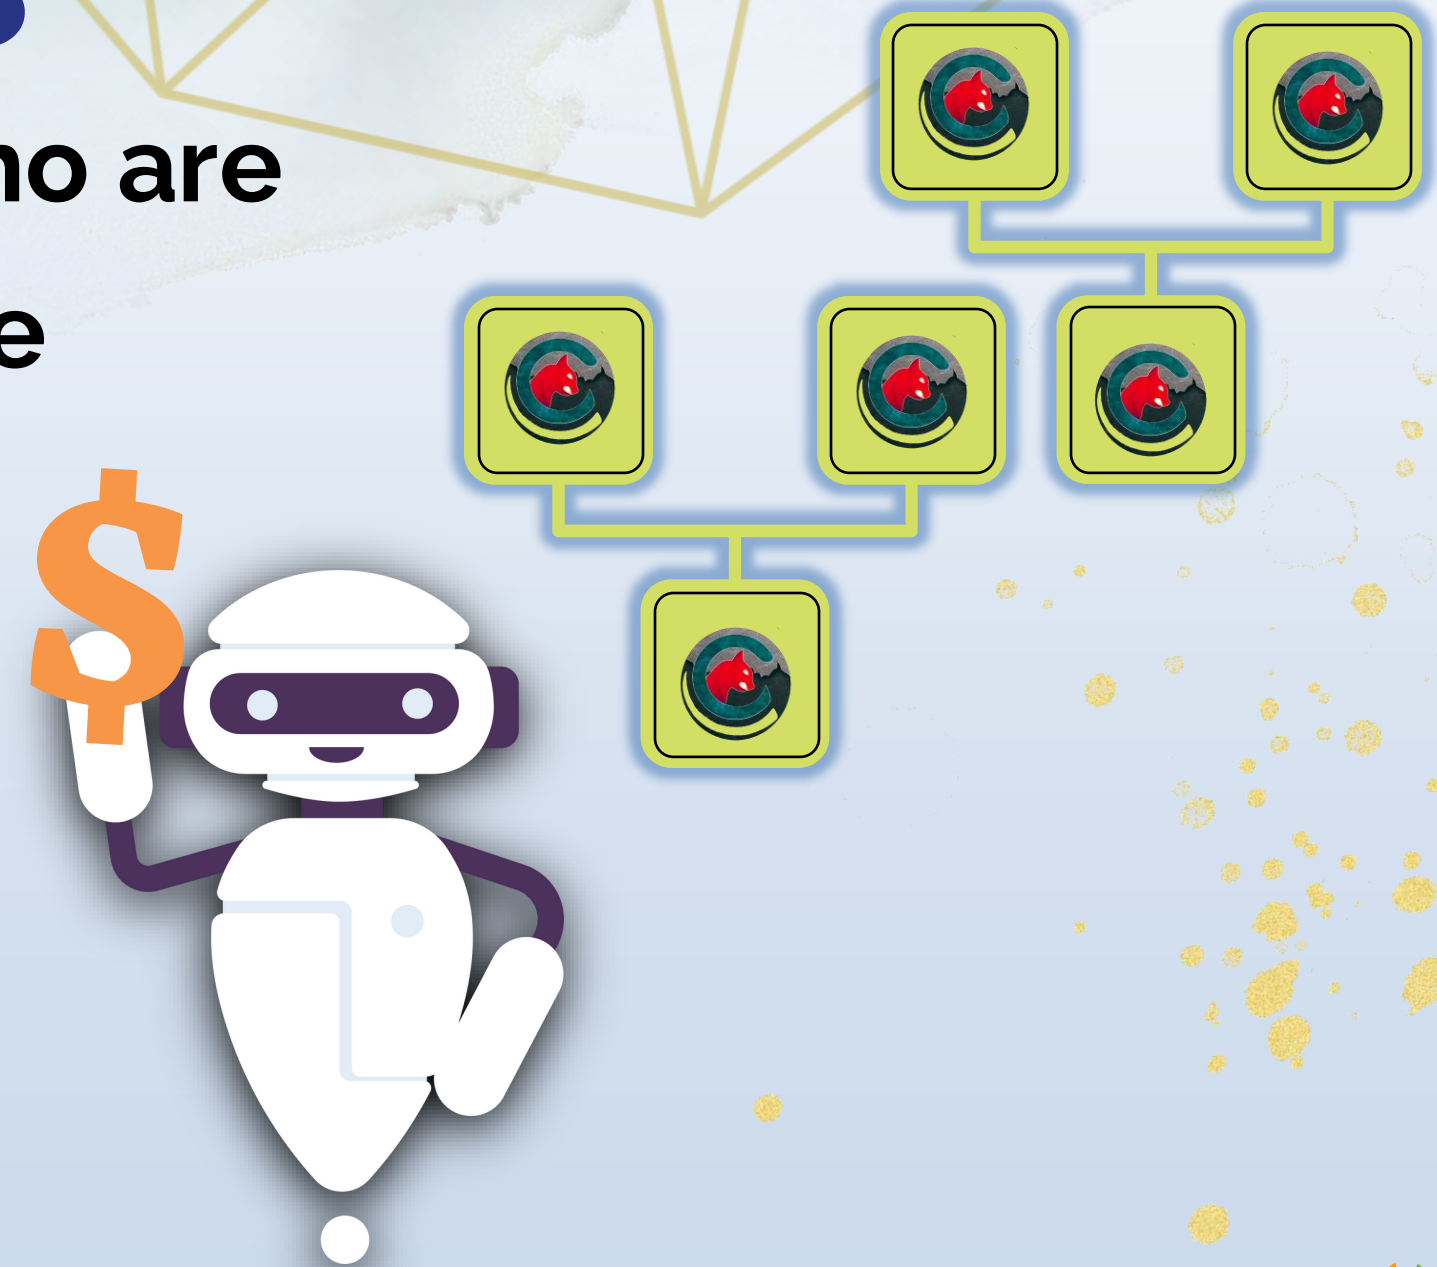

**from a 5-branch matrix at 8 levels of depth**

# You are all winners

We have even considered that those who are members of this project will also receive profits in the “**Rootala.Invest**” project.
